the tender and the same is subsequently noticed at any stage, even after award of the contract, the bidders are liable for all consequences thereof and NDDB DS, Alamadhi Semen Station shall be free to take suitable action as deemed necessary.

2.0 Minimum Eligibility Criteria: For the purpose of bidding, the bidder shall meet the following minimum qualifying criteria:

- a) The Bidder, in the same name and style, should be in business at least for **five years** (2019-20, 2020-21, 2021-22, 2022-23, 2023-24) at the time of bid opening. In case of change of name of bidder by merger / acquisition / change in status, the bidder may be eligible based on the documentary evidence.
- b) The Bidder should have valid registration under various Acts that may be applicable for the contract proposed. This shall include but not limited to Income Tax, Companies Act, GST, the Building & other construction workers' welfare cess act, Employee State Insurance, Contract Labour, Provident fund etc.
- c) The Bidder's financial **turnover** in the same name and style during each of the **last three financial year** (2020-21/ 2021-22/ 2022-23 or 2023-24, based on available audited statements) ending 31st March should **not be less than 60% of the estimated cost indicated in IFB.**
- d) The bidder should have positive net worth in **last two financial years.**
- e) The bidder should have **cash profit** in any two financial years out of the last five financial years.
- f) The Bidder in the same name & style shall have successfully executed /completed contract of **Similar nature of work**** during the last five years ending last day of the month previous to the month in which bid is opened (2019-20, 2020-21,2021-22, 2022-23, 2023-24), as per the following:-

I	One contract/work of similar nature costing not less than 80% of estimated value of the works indicated in the present INVITATION FOR BIDS (IFB).
	(OR)
II	Two contracts/works of similar nature costing not less than 50% of estimated value of the works indicated in the

NDDB DS,
Alamadhi semen station

Invitation for Bid

Bidder

	present INVITATION FOR BIDS (IFB).
	(OR)
III	Three contracts/works of similar nature costing not less than 40% of estimated value of the works indicated in the present INVITATION FOR BIDS (IFB).

Similar nature of work:

**** for Package-I:**

Similar nature of work means, construction works having Reinforced Cement Concrete (RCC) framework, structural framework/pre-engineered building structures with sheet roofing including internal electrification, water supply and sanitary works in India. The **average monthly progress of works** (work done) for such contract should not be less than **Rs. 200 Lakhs** inclusive of GST, statutory cess & duties. Proof shall be submitted for this qualification criteria in detail.

**** for Package-II:**

Similar nature of work means, Supply, installation, testing and commissioning of cattle farming equipment.

Bidders qualifying package-I are also eligible to quote for Package-II. Bidders only quoting for package -II should qualify the similar nature of works for Package-II.

Project authority have the right to place the purchase order for package I & II on a single contractor or different contractors based on the qualification & eligibility criteria of the bidders and project requirement.

Notes :

- The contract means the work done against one work order on a single location.
- Cost of contracts/works shall be considered for evaluation as per the clause 2(f) above excluding the cost/recovery of materials supplied by the purchaser.

NDDDB DS,
Alamadhi semen station

Invitation for Bid

Bidder

Bidder shall submit the following details to support their claim for meeting the minimum eligibility requirements:

1. Name / Names of project to be considered for meeting minimum eligibility criteria
2. Nature of each project / work completed.
3. Value of work of each project / work completed.
4. Location of execution of each project/work completed.
The copy of purchase order/work order, completion certificate and abstract sheet of final bill/invoice showing the cumulative value of work done should be submitted in order to support aforesaid details. In case, the final bill/invoice, does not contain cumulative value of work done, copy of all the bills/invoices submitted prior to the final bill should be attached.

Note:

For evaluation and comparison of bids, the purchaser may, at its discretion, ask the bidder for clarification on the bid. The shortfall information / documents shall be sought only in case of historical documents which pre-exist at the time of tender opening and which have not under gone change since then.

So far as the submission of the documents is connected with regard to qualification criteria, after submission of the tender, only related shortfall documents shall be asked for the considered. For example, if the bidder has submitted a supply order without its completion / performance certificate, the certificate can be asked for and considered. However, no new supply order shall be asked for and considered so as to qualify the bidder.

- 3.6 (g) In addition to the above, the following information/documents should also be submitted along with the bid by the bidders for evaluation/determination of their eligibility:

- I. Copy of **Income Tax Returns** and audited balance sheet for **three** previous years in original (2020-21/ 2021-22/ 2022-23 or 2023-24, based on available audited statements) or certified true copies, along with Permanent Account Number (PAN) for income tax purpose.
- II. Copy of **TDS certificate** issued by the clients to substantiate the claim for the value of works executed in the private sector.
- III. Copy of **Form 26 AS** for the last 3 financial Years

Even though the bidder meets the specified criteria, it may be disqualified if it has:

NDDDB DS, Alamadhi semen station		Invitation for Bid	Bidder
-------------------------------------	---	--------------------	--------

- I. Made untrue or false declaration in the forms, statements and attachments submitted in proof of their qualification and / or
- II. Record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion or financial failure etc.
- III. If the bidder is overbooked beyond his capacity to execute the work as per required schedules, the bidding capacity of the bidder will be worked out by following methodology.

The available bid capacity of the bidder shall be worked out on the basis of total completion time and total estimated cost (i.e 100% of total estimated cost indicated in IFB).

Assessed Available bid capacity = $(A*N*1.5 - B)$

Where,

A= Maximum turnover achieved in any one year during the last three years

N = Number of years (number of months/12) prescribed for completion of the works for which bids are invited as specified in Invitation for bid (IFB).

B= Value of on-going works to be completed during the period of completion of the works for which bids are invited.

4.0 As a part of Technical Bid the bidder shall also submit the following documents & credentials.

4.1 For package-I
